

## Lewis Tools-Yard Butler Limited Lifetime Guarantee

### Hose Trucks- Models HT-2EZ, HT-4EZ, HRC-2, HRC-4 Swivel Reels- Models SR-360, SRWM-180

At Lewis Tools we design and build all of our Yard Butler Hose Trucks and Swivel Reels to provide you with many years of service and satisfaction.

### We provide the following limited guarantee:

The Hose Trucks and Swivel Reels are guaranteed for life to be free from any defect in materials or workmanship.

#### Limitations

- 1) Component parts are guaranteed to be free from defects for a period of six months. Component parts - particularly moving parts, **tires, seals, o-rings, hose, and connectors will wear with use over time and eventually may need to be replaced or refurbished.** We will be happy to provide you with prompt, high quality service and replacement parts at a nominal cost but most parts are common and available at your local hardware store.
- 2) Product damage that is a result of abuse, misuse, or mishandling voids the guarantee. **(Exposing the unit to freezing temperatures with water remaining in the reel plumbing system voids the guarantee.)**
- 3) Rust. Despite the industrial quality coating and our best efforts, steel will rust over time. Spot rust appearing over time is not considered a defect and is not covered by the guarantee.
- 4) If there is damage to the product that occurred as a result of shipping, you should file a damage claim with the carrier.
